## [I] SUMMARY

In Corona virus period, For the first time in India, the doctors of All India Institute of Medical Sciences [AIIMS] Hospital in Bhopal city, Madhya Pradesh State, India conducted the post-mortem of 21 dead bodies of Corona virus (Covid 19). This is the first such case in the country.

Apart from the lungs and kidneys of the patient, the corona virus [Covid 19] has also infected the brain, heart, liver and pancreas. After the death of the patient, the dead body did not become corona negative, but the report came positive even after 20 hours of death.

The virus, Reverse Transcription Polymers Chain Reaction [R T P C R] test report of Corona virus [covid19] also came positive. This was revealed in the autopsy report of the doctor of Forensic Medicine, Critical Care Pathology, Microbiology, Forensic Medicine, Department of Forensic Medicine, Bhopal AIIMS.

The doctors of AIIMS studied the infection of corona in their organs by doing post mortem of Twenty-one

( 21 ) corona virus [Covid 19] dead bodies between August 2020 and October 2020. Of the Twenty one ( 21) deaths included in the autopsy report, corona infection in the brain had happened before death. Whereas in 75%, the infection was in the lungs and kidneys. Due to which the patient died. Post-mortem of the bodies of 15 men and 6 women was done under the corona autopsy Study.

Four (4) Doctors did the study. There were 3 women involved.

The post-mortem of 15 bodies was done at 5 to 7 in the morning and the remaining 6 at night. This was done so that there is no delay in the last rites of the dead bodies.

To do the post-mortem, the doctors removed the dead body's lungs by pressing it with wet cotton, then cut the brain open with a chisel hammer.

To prevent the doctor from getting infected with the dead body, taking a sample of the lung, it was removed

from the body by pressing it with wet cotton. After sampling and testing, it was re-attached to the body. The head was cut open with a chisel hammer, so that aerosol was not formed in the Mortuary.

Doctors who were the principal investigators of the autopsies said that 35% of the 21 cadavers included in the study were found to be infected with pancreatitis. Which confirms infection in the lungs and other organs.

This was confirmed in the histopathology report. According to the Forensic Medicine Department of AIIMS Bhopal, 148 patients have died in AIIMS between August and October 2020.

Now,

- Corona virus [Covid-19] when came in the world in 2019 - 2020 when a global pandemic disease called corona spread all over the world in 2020. Then people started getting sick and dying due to this Corona virus [Covid-19] epidemic disease.
- In Corona virus period, Then the World Health Organization did not give any instructions to conduct post-mortem of people who died of the Corona virus epidemic disease. Due to which the deaths of people due to corona virus epidemic disease and other reasons were not known. In the Corona virus [Covid-19] period, people were being shown positive due to Corona virus [Covid-19] epidemic disease and other reasons, people were dying and getting sick in large numbers. Due to the fear of this Corona virus epidemic disease, doctors and people were also scared of the virus. Due to which the post-mortem of the deaths of people who died of Corona virus [Covid-19] positive was not possible and the real reason of the deaths was also not known whether people are dying of Corona virus [Covid-19] or any other for another reason.
- There was a good beginning in India during the Corona virus period.

In Corona virus period, The doctors of AIIMS Hospital, Bhopal city, Madhya Pradesh state, India conducted

the post-mortem of 21 dead bodies of Corona virus [Covid-19]. This is the first such case in the country. In the post-mortem autopsy, the doctors found that apart from the lungs and kidneys of the patient, the brain, heart, liver and pancreas were also damaged and affected.

A team of doctors from AIIMS Hospital in Bhopal conducted post-mortem Autopsy research of 21 Corona virus [Covid-19] positive dead bodies. And it was found that the Corona virus targeted the internal organs of the dead body as well as their brain and pancreas.

Postmortem of people who died of Corona virus in India was done like this .

Now,

The human brain, often considered the most complex and mysterious organ, has fascinated scientists, researchers, neuroscience and thinkers for centuries. Its complex network of billions of neurons and trillions of connections forms the foundation of our thoughts, emotions, and behaviors. It is a weapon of Mass Destruction. Using this, People are targeted on a large Scale at Once.

### [III] How does Cyber crime occur through this wireless Bio-Electromagnetic weapon [Biological Weapon] ?

• Electromagnetic Radiation (EMR) ;-

In physics, Electromagnetic radiation (EMR) consists of waves of the Electromagnetic (EM) field, which

propagate through space and carry momentum and Electromagnetic radiant energy.

Types of Electromagnetic radiation (EMR) include Radio waves, Microwaves, Infrared, (Visible) Light, Ultraviolet, X-Rays, and Gamma rays, all of which are part of the Electromagnetic spectrum.

### THE ELECTROMAGNETIC SPECTRUM

• In the World , serious diseases are being created in the bodies of innocent citizens by the Deep Tech Satellite Super Artificial Intelligence Computer [AI] Weapon and this Satellite Bio Electro Magnetic Weapon [Biological Weapon] Computer.

And the internal organs and nerves of the citizens' bodies are being destroyed and weakened.

Like, Cancer, Tuberculosis [TB], Heart Attack, Paralysis [Stroke], Diabetes [Sugar], Kidney disease, Lung disease, Liver disease, Stomach disease, Intestine disease, Mental illness , Eye disease, Nerve diseases ,Blood disease etc.

• Waves, frequency, beam, radiation enter our body through this deep tech wireless remote satellite surveillance weapon.

And they are very well operated and controlled in our brain and nerves, in muscles, in kidneys, in internal organs, in liver, in heart and in stomach, inside intestines etc.

• People are being killed and made seriously ill by this Deep Tech satellite surveillance technology.

People's Nerves, Muscles, Internal Organs are being ruined and destroyed by this satellite technology weapon.

It is a science to create man-made diseases in the human body through Satellite Super Artificial Intelligence Computer technology Weapon[AI] .

This technology is a Big Engineering.

It is a weapon of Mass Destruction. Using this, People are targeted on a large Scale at Once.

Doctors and citizens have no idea about this satellite Deep tech Scanner computer technology, Satellite Bio Electro Magnetic weapon computer which is a Satellite Wireless Non - Contact weapon.

Medical field does not know about this big engineering.

It is a Super computer weapon and Quantum technology.

#### [IV] Illegal Satellite Electronic Communication Technology is working inside India and World .

Like, Synthetic Telepathy technology, Voice to Skull (V2K) technology, Artificial Telepathic technology, Neurotechnology.

• This Satellite Super Computer technology is wireless Voice to Skull [V 2 K] Technology Or Synthetic Telepathy Technology, Neurotechnology, Mind Controller technology.

Artificial Telepathic means Satellite Super Artificial Intelligence Computer [AI] operator, agent can talk to our brain from a distance wirelessly. which is called Artificial Telepathic Or Synthetic Telepathy Or Neurotechnology.

And this is a wireless Direct Energy Weapon or Non-Contact warfare weapon which kills and makes humans sick from a distance.

• No chip is installed inside our body and no GPS Or any device is installed inside the body. When we humans are targeted by this Satellite Super Artificial Intelligence Computer Or Satellite wireless Direct Energy Weapon Computer [Microwave Energy Weapon].

So Wave, Frequency, Radiation, Beam always remains inside the brain and body inside the target human body. Wherever the target person goes, he takes a network of this Wave, Frequency, Beam, Radiation with him.

This technology tracks us like a tracking system.

And this wireless technology controls the Neurons in our brain. it's Brain Waves and Neuro technology.

And in just Eight to Nine seconds [8 to 9 seconds] we humans are injected into this satellite Super computer weapon technology.

• The biggest feature of this Satellite Super Artificial Intelligence Computer [AI] is that When a person is targeted with this Satellite Surveillance technology, the Satellite Surveillance operator can increase Or decrease the wave, frequency and amount of Radiation in the targeted person's internal body and in the House and individual Houses of citizens, Buildings and Government buildings as per their wish.

Such as, Microwave Radiation [High Energy Radio Frequencies], Electro Magnetic Radiation, Millimeter wave, Scalar wave etc. Waves, Frequency, Radiation, Beam.

These Waves, Frequency, beam, radiation operate and control very well in our Brain and Nerves, in Muscles, Internal Organs in Kidney, in liver, in Heart and in Stomach, inside Intestine, etc., through this Satellite Surveillance technology.

These satellite surveillance operators also block our intestines with waves, radiation and beams, due to which the stomach of the target citizens is not clean. And with excessive energy they destroy, make useless and weaken the internal organs and nerves of the citizens.

• All these are Patented technologies, which have many patents.

Which is all Patents produced .

[1] Patent # US3951134 A,[2] Patent # US 6011991 A,

[3] Patent # DE 10253433A1,[4] US Patent 5159703 A

• Patents to protect against this deep tech satellite surveillance .

[1] Patent#US20200390360,

[2] Patent#US20200275874A1

**[V] Satellite Super Artificial Intelligence Computer [AI] Or Super Computer Or Mind Controller Computer, etc. The functions of computer are as follows.**

[A] Deep Tech Scanner Technology: - Wireless Remote Neural Monitoring Or Neurotechnology can be combined with other imaging modalities such as Functional Magnetic Resonance Imaging or MRI or EEG, providing a comprehensive view of brain activity and internal body activity and and facilitating Cross-Modal data analysis.

This is the most dangerous function of this deep tech wireless satellite technology.

The Algorithm of this satellite deep tech wireless technology is more powerful and advanced than MRI [Magnetic Resonance Imaging]

That is we are injected into this Super Artificial Intelligence Computer through which these satellite surveillance operators, criminal gangs target humans and inject them.

It is a weapon of Mass Destruction. Using this, People are targeted on a large Scale at Once.

In this Satellite Wireless Deep Scanner technology, our body remains Magnetic and Radio Waves, Microwave, Electro Magnetic Radiation , Milli meter wave and etc are always inside our body .

Due to which each and every activity inside our body, One – One movement, every internal organs of our body, Vein – pulse, Soft tissue , nervous system are clearly visible and the internal image is also visible through this Satellite deep Scanner technology Clear and clear is visible in computer technology [AI].

Like the blood flowing in the veins in our body and every internal organ of our body like Lungs, Heart, Liver, Kidney, Brain, Vein, Pulse, Soft tissue, Nervous system etc. are clearly visible in this Satellite deep Scanner computer technology [AI] .

The specialty of this Deep Tech Satellite Artificial Intelligence Technology [AI] is that in this wireless technology even the smallest veins inside our body are clearly visible from a distance.

With this satellite wireless deep tech scanner technology [wireless MRI technology], wrong and bad operations are done on the internal organs, nerves etc. of the human body from a distance.

This deep tech illegal space base satellite surveillance technology is a wireless Non-contact warfare weapon which is used by Spy agencies, Military, Research institutes and Cyber criminals etc .

[B] Scalar wave = It can also be called Scalar wave. Scalar wave means calculation of frequency.

[C] Mind Reader Technology Or Mind Hacking Technology or Neurotechnology :-

This technology is Satellite Remote wireless Mind Reader technology and Mind Hacking Technology .

We know the secret things about ourselves and others, such as our business, our money , our passwords and other secrets, secrets that only we know. Being this

technology mind reader and mind hacking , all our secrets are known to this satellite super computer operators, attackers, agents too.

• With this Supercomputer, the Big officers , VIP people, Businessmen, Politicians, Ministers, Opposition leaders, Judges, Police officers, Investigation agency officers, Secret agency officers, Scientists, Lawyers, Celebrity and public etc. are monitored and spied on.

[D] Synthetic Telepathy Technology :- This Satellite Super Computer technology is wireless Telepathic Artificial Intelligence computer technology Or Voice to Skull [V 2 K] Technology Or Synthetic Telepathy Technology, Neurotechnology .

Telepathic Artificial Intelligence means Satellite Supercomputer Technology operator, agent can talk to our brain from a distance wirelessly . which is called Artificial Telepathic or Synthetic Telepathy .

We have read and heard many times that ghosts, aliens, gods, dead people, spirits talk to people or in people's homes or harass citizens. But there is no ghost, soul in the world, it is just a telepathic satellite supercomputer [AI] technology.

Through this Satellite Super Artificial Intelligence Computer [AI] , these surveillance operators make people fool and fool.

Like Ghosts, Aliens, Gods, Dead People, Spirits talk to someone and ghosts and spirits disturb people, Or people have confusion that someone has put a chip in their body, due to which Somebody is talking to him. These are all fake this is only Wireless Artificial Telepathic Technology which is also Mind Reader Technology and Satellite Scanner Technology which is Bio Electro Magnetic Weapon Or Direct Energy Weapon Computer.

• Satellite Wireless Synthetic Telepathy Computer Technology These two types work .

[a] Active Telepathic Method [b] Silent Telepathic Method

#### [a] Active Telepathic Method

1] In the active telepathic voice type, the target person is aware that someone is talking to the target person's brain through satellite surveillance.

Like ,Aliens, God, Dead people, Ghosts, Souls Or any Actor/Woman Or direct Satellite surveillance operators, attackers are talking .

which only the target person can hear.

These Super Telepathic Artificial Intelligence Computer operators criminals play with the lives of citizens by looking at the subject [Human brain].

These Super Telepathic Artificial Intelligences computer[AI] operators make citizens fool and mad by talking to the minds of citizens through wireless telepathic communication.

Due to which the life of the target person is ruined .

These Super Telepathic Artificial Intelligence computer operators are very dangerous .

[2] In this active telepathic type, the target person is very sad, upset and confuse and scared of all the people and after being targeted in this type of situation, sometimes these targeted people also commit suicide.

[3] A defining feature of wireless Neural monitoring is the ability to transmit these captured neural signals wirelessly. This is where the world of wireless communication technologies and Neuroscience comes into the picture.

As for the use of sound, a device that broadcasts a beam of sound waves, which can only be heard by the person

at whom the beam of sound waves is aimed. In this case, the beam is formed by a combination of microwave, sound and ultrasound waves which causes the targeted person to hear the sound inside his head. Such a process can affect the mental balance of the targeted person as well as make him believe that he is mentally ill.

[4] In this active telepathic type, This Satellite telepathic computer surveillance program is played with target humans 24/7 [24 hours 7 days] for several months or many years. The target person is made a mental patient and placed in a Practical Program.

In this active method mental telepathy, the targeted person goes to a mental hospital or psychiatrist. Through this surveillance the game of death is played with the peoples.

[5] In this type, the target person is not even allowed to sleep and These programs make the target person mental, and ruins people's lives.

[6] This is a Psychotronic weapon ,

#### **(b) Silent Telepathic Sound Method :-**

[1] In silent telepathic Sound type, the Satellite surveillance operator plays with the brain of the target person very cleverly.

[2] In Silent telepathic, the Satellite surveillance operator keeps talking to the target person's brain in silent sound.

[3] In this ultrasonic type, the target person never knows that any Satellite surveillance operator is talking to the target person's mind, playing with his life in this artificial telepathic mind reader computer Or Mind controller technology .

Many target humans come, in this supercomputer, people are monitored 24/7 [24 hours 7 days] and the Satellite surveillance operator keeps playing with their mind, making them crazy with silent sound.

[4] This deep tech satellite surveillance technology is also a wireless hypnotized technology which is a brain controller. This technology is mostly used in silent sound method.

In this, the target person never knows that his brain is connected to a wireless brain computer interface.

[5] In this type, the target person will only keep committing crime or will keep getting sick or the target person's internal organs, nerves, muscles, cells will continue to be destroyed and weak and will continue to become a mental patient or will commit suicide.

[6] The Silent telepathic type is the most dangerous type.

This is a silent crime, a silent murder. Which people don't know, so this Satellite surveillance technology agent, operator target people very easily with this technology.

[E] This deep tech satellite surveillance technology is also a weapon of Electronic Warfare. This Satellite Surveillance technology attacks in two ways.

[a] Physical attacks and [b] Cyber attacks

#### **Cyber-attacks :-**

- Microwave Weapon [High Frequency Electromagnetic Radiation] These weapons have been developed and made to target both Human and Electronic systems .

Microwave based Super Artificial Intelligence Computer [AI] is designed Electro Magnetic Interference [EMI] Or Radio Frequency Interference [RFI] to damage target electronic systems .

Electromagnetic Interference [EMI] is also called Radio Frequency Interference [RFI] .

Electro Magnetic Interference [EMI] or Radio Frequency Interference[RFI] means that it Interference [interferes] in every electronic machine, every device, machine, computer and every software based machine, computer, mobile, radio etc.

1] It is Super Artificial Intelligence Computer[AI] which can hack every computer, mobile, every Software based machine etc and Phones are also tapped .

2] With this satellite super artificial intelligence computer, the network can be jammed and internet and Wi Fi can be shut down.

3] From this super artificial intelligence computer, these computer operators, agents, home TV, Radio and battery-operated devices and any software-based machine, CC TV Camera [Security cameras]etc. which

do not have internet, blue tooth, wi-fi, chip, that machine, device Can also hack and spoil and destroy.

4] With this satellite direct energy weapons computer [Microwave weapon], computer operators can disable and short-circuit every electronic system and shut down the power supply .

And the four wheelers can be damaged technically such as the battery and electronic system of the four-wheeler.

And with this satellite surveillance, every electronic system in Planes and Helicopters can be damaged by jams and technical faults.

And every electronic system of Planes and Helicopters can be easily jammed and destroyed through this satellite surveillance.

This Direct Energy Weapon [Microwave Weapon (High Energy Radio Frequencies)] Can Destroy Any Kind of Appliances.

[F] And this satellite non-contact weapon Supercomputer has many functions.

## [VI] Function of Microwave Weapon and Sonic Weapon

### Human exposure to radiation

• Microwave weapons can also include Particle Beam Weapons and Sonic Weapons.

[A] Microwave Weapon :-

Microwave Weapons Are Also Called High Energy Radio Frequencies.

Microwave Weapon [High Energy Radio Frequencies] : This is a Direct Energy Weapon .

Microwave Weapons are a type of Direct Energy Weapons, which target their targets by highly concentrated energy forms such as Microwaves etc. These are also called High Energy Radio Frequencies . Humans are targeted by a beam of high-frequency electromagnetic radiation from a microwave .

Note:- Animals and Birds can also be targeted with this Microwave Weapon [High Energy Radio frequencies].

• Microwave Weapon [High Energy Radio frequencies] These weapons have been developed to target both Human and Electronic Systems.

Microwave Weapon [High Energy Radio frequencies] based high power Direct Energy Weapon damages and destroys every Device, Electronic Item, Electronic Systems . And Destroy Any Kind of Appliances .

Microwave Weapon [High Energy Radio Frequencies] cause long term Harm to the Human body without any Mark.

When a person is targeted with a Microwave weapon [High Energy Radio Frequencies] the person's body either has or does not have external injury marks, but these Microwave weapons do a lot of damage in the internal parts of the body.

Like these microwave weapons destroy and weaken the internal organs of our body like heart, lungs, liver, kidney, nerves, muscles, cells etc.

Microwave waves at high frequency in the waking state of the brain, by the same process, cause sleep deprivation in humans.

There is no sound of any kind in the radiation beam emanating from microwave weapons and it is also not possible to see it and these weapons do not leave any evidence of their existence.

[B] Sonic Weapon :-

Sonic weapons = Basically Sonic weapons emit Ultrasound [Ultrasonic] and Infrasound [Infrasonic].

Humans can hear sound waves ranging in frequency from 20 Hz to 20000 Hz.

Sound waves of frequency more than 20000 Hz are called Ultrasonic [Ultrasound] and sound waves of

frequency less than 20 Hz are called Infrasonic [Infrasound].

Sonic weapons use the frequency of sound that directly affects the nervous system of the human being.

The frequency of ultrasound is more than 20000 Hz and the frequency of infrasound is 9 Hz, 0.3 Hz and 18.8 Hz is around.

We cannot hear this sound by human ear.

These weapons are also known as Sonic weapons, these are satellite equipment weapons that target the public with this acoustic weapon and these weapons harass the public Mentally and Physically.

Sonic weapon are different types of weapons designed to use sound to injure, incapacitate.

Ultrasound [Ultrasonic] waves and Microwave Electromagnetic weapons cause heating that damages tissue and internal organs and make a tumor in our body .

These weapons make the public seriously ill .

- Infrasonic [Infrasound] Weapons are used to weaken and destroy the public's eyes by targeting the public with these weapons, vibrating their eyeballs and making them sick, due to which the public's eyes become weak and destroyed, causing the public's eyes to become blind. and eyesight becomes weak .

- Ultrasound [Ultrasonic] Weapon is designed to pierce the Ear, tear the Eardrum, and make humans deaf, and produce unpleasant frequencies.

With this weapon, the attackers inflict severe pain and discomfort in us humans and make us Deaf .

**[VII] This super telepathic artificial intelligence computer weapon is made by many Supercomputer companies of the world and Defense company and Deep tech company and other technology companies. This satellite illegal Super Telepathic Artificial Intelligence Computer weapon is being used against civilians.**

This Micro wave weapon [High Energy Radio Frequencies] is a wireless current designed to attack the internal organs, nerves and body of humans and Any Kind of Appliances .

We can also call it Scalar waves which means calculation of frequency.

The shivering that target individuals experience in their bodies is actually a Vibrator current flowing through the nerves through this deep tech satellite technology.

Through this satellite vibrator weapon [Scalar waves], the internal organs of our body, their veins and other nerves are swollen and inflated and the veins are also cut.

Due to which our internal organs and nerves become useless and destroyed.

And the veins and other nerves of our organs get blocked and the nerves get destroyed.

- The radiation emanating from the microwave weapon, there is no sound in the beam and it is not possible to see it and these weapons do not leave any evidence of themselves.

This is a secret technology about which Doctors and citizens have no idea about this satellite scanner computer technology [satellite MRI computer technology], bio electro magnetic weapon computer which is a satellite wireless Non – Contact weapon.

**[VIII] People in the country and the world are being harassed and tortured through this bloody and scary Psychotronic Cyber crime.**

- In January 1999 the European Parliament passed a resolution calling for an international convention to impose a global ban on all development and deployment of weapons that could enable any form of manipulation of human beings.

And

- On February 28, 2020, the UN Special Rapporteur on Torture, Professor Nils Melzer, issued his World Report on “Torture and other cruel, inhuman or degrading treatment or punishment.” This report included a definition of “Cyber torture,” the Crime Against Humanity where millions of targeted victims worldwide are remotely assaulted with Electromagnetic Weapons in actions directed via computer, often from Supercomputers.

(A/HRC/43/49) Cybertorture

- Targeted by this illegal satellite surveillance, citizens all over the world and in India have filed reports against this technology.

**[IX] Researcher and his family attacked by this illegal deep tech satellite surveillance weapon .**

Researchers had written complained about this deep tech satellite Remote Neural Monitoring or Super Artificial Intelligence Computer technology in India. When the virus disease named Corona virus (Covid - 19) did not come in the world.

- In the written complaint, the researcher had told that when a person is targeted in this satellite technology surveillance, then when the targeted person meets or talks to any person, then that person also comes under the scope of this satellite surveillance technology. Is. That is, from one person to another person to the third person, in this way this technology creates a series of its magnetic radiation waves, frequency, beam among the people.

- In this satellite surveillance technology, when we humans are targeted, there are always waves, radiation, beam inside the human body. Wherever the targeted person goes, he carries with him a communication network of radiation waves, frequency, beam up to 4.5 feet.

Researcher and his family have been badly targeted by this deep tech satellite super artificial intelligence computer technology in India.

With this satellite super artificial intelligence computer weapon, this operator kills his opponent, the enemy, otherwise makes him seriously ill and disables and weakens the internal organs, nerves and cells of his opponent's body.

- These satellite surveillance computer operators are very dangerous and vicious.

The researcher had gone to another state Punjab, 1600 kilo meters away from Nagpur city of Maharashtra, to get rid of this artificial telepathic communication technology and this wireless Brain Computer Interface network.

But during the train journey from Nagpur city to Punjab state, these super artificial intelligence computer criminal operators were harassing and

torturing the researcher by talking to the brain of the researcher through this deep tech satellite wireless artificial telepathic and synthetic telepathic technology.

And the network of Satellite Deep Tech Wireless Synthetic Telepathic Technology and Direct Energy Weapon was also stable with the researcher in another state Punjab, 1600 km away from Nagpur city.

It is a satellite network technology which is a tracking network system which has no limits.

#### **[X] Regarding Corona virus [Covid-19].**

This deep tech satellite non-contact radiation weapon causes various types of diseases in the bodies of citizens. Through this wireless scanner [MRI] technology and Satellite Bio Electro Magnetic Weapon [Biological Weapon] Computer, serious diseases are being created in the bodies of the people.

Now,

The researcher himself has been suffering from Satellite Super Artificial Telepathic Intelligence Computer and Non-Contact Electro Magnetic Radiation Weapon for the last nine (9) years.

And these satellite surveillance operators are physically and mentally torturing the researchers 24/7.

- In December 2019-2020, the global pandemic of Corona (Covid -19) virus spread in the world. The World Health Organization (WHO) had declared it a global pandemic disease.

- This wave of Corona (Covid- 19) virus disease came to India in 2020.

In India too, people died and became ill due to Corona (Covid -19) virus.

- The researcher's house is in Nagpur city of Maharashtra state of India.

And where the researcher lives, there are two houses, one is the researcher's house and the other is the neighbour's house, both these houses are connected and stuck together.

And the researcher's neighbours was in quarantine in a room after falling ill with the Corona (Covid -19) virus disease.

- And in the next room the researcher himself is suffering from satellite super artificial intelligence computer or Neurotechnology or Non-contact bio electromagnetic weapon .

That is, on one hand the neighbors are suffering from Corona virus (Covid -19) disease.

- And on the other hand the researcher is suffering from Neurotechnology or Non-Contact Bio Electro Magnetic Weapon.

In which the satellite surveillance operators are harassing the researcher 24/7 through telepathic communication and are torturing the researcher with this Non-contact bio electromagnetic weapon.

Waves, radiation ,frequencies ,beam such as Microwave [High radio energy frequency], Electro-magnetic radiation, Millimeter wave, Scalar wave etc. were present in the researcher's home and body.

The researcher's house and the researcher were the targets of these waves, frequencies, beam and radiations.

This means that the researcher's neighbors living in the neighborhood have Corona virus [Covid-19] in their homes and bodies.

And there are waves, frequencies, radiation and beams inside the researcher's home and body.

It was not at all possible that there was Corona (Covid -19) virus inside the neighbors' body, rather, there were waves, frequencies,beam , radiation inside the neighbors' body and inside their house.

Same was the condition of the people living in the researcher's locality. There were waves, frequency, radiation, beams in the bodies of people living in the area and also inside their houses, there was no virus in the body.

People were getting sick and dying from the waves, frequencies, beams, radiation. This wave, frequency, radiation, beam is operated and controlled by deep tech satellite surveillance technology inside the body.

These waves, frequencies, beams, radiations were also in his house.

- It is a weapon of mass destruction. Using it, numerous people are targeted simultaneously.

Neighbors and people of the locality were also the target of the Super artificial intelligence computer weapon. The satellite surveillance operator caused symptoms of Corona (Covid -19) virus disease in the bodies of these neighbors and people of the locality. Such as running nose, cold, fever, difficulty in breathing, weakening of lungs and kidneys and interference of our senses like smell, sight, hearing and taste in this monitoring. Due to which neighbors and people of the locality turned out to be Corona virus (Covid -19) Positive.

But there was no Corona (Covid -19) virus in the body or house of these neighbors and people of the locality. Rather, inside the bodies and houses of these neighbors and people of the locality. There were only Microwave [High radio energy frequency], Electro magnetic radiation, Millimeter wave, Scalar wave and etc. radiation, waves, frequency, beam .

With this wireless Mind control and Bio electro magnetic weapon [Biological weapon] satellite technology, the surveillance operator injects people into this Super artificial intelligence computer weapon and selects people, identifies them, kills them and makes them sick and weakens and destroys internal organs.

Like Children, Old people, Young men, Girls, Women, the surveillance attacker selects people and kills them selectively. It is a quantum technology Super artificial intelligence computer weapon [AI].

These Supercomputer [AI] operators, attackers kill especially old people and create diseases in the body so that there is fear of death and disease among the citizens.

And may the business of these satellite surveillance operators continue to flourish.

This satellite surveillance technology has been present in the world since many years ago. The World Health Organization [WHO] does not know about this Deep tech satellite surveillance technology.

Through this deep tech satellite surveillance weapon technology the citizen is easily killed by Heart Attack and Paralysis.

[A] Heart attack ;-

People are killed by Heart attacks from Direct Energy Weapons Or Super Artificial Intelligence Computer weapon technology ,The vein supplying blood to the heart is closed by increasing the level of radiation energy .

Due to which it becomes difficult for the blood to reach the heart and the muscles get destroyed, and the heart does not even get oxygen, due to which heart attack comes and people die from heart attack.

And with this deep tech wireless scanner technology [wireless MRI technology], blockages are created in the heart of the human and the humans are made heart patients.

[B] Paralysis ;-

Deep Tech Satellite Surveillance operators stop the flow of blood in the

veins of the brain by powerful excessive energy[high energy electromagnetic radiation] by increasing the level of waves ,, radiation in the brain of target people through Neurotechnology Or Mind Controller .

Due to which it becomes difficult for the blood to reach the brain and the muscles are destroyed, and when there is a blockage in the blood supply to the brain, the brain cells in that place begin to die, because they should get the oxygen and nutrition they need to function. He can't get it. In this condition any part of the body stops working. Which is called paralysis stroke.

**[XI] Regarding the post-mortem and autopsy of the dead body of Corona virus [Covid-19] done by the doctors.**

• Corona virus [Covid-19] when came in the world in 2019 - 2020 when a global pandemic disease called Corona spread all over the world in 2020. Then people started getting sick and dying due to this Corona virus [Covid-19] epidemic disease.

In Corona virus period, The doctors of All India Institute of Medical Sciences [AIIMS] Hospital, Bhopal city, Madhya Pradesh State, India conducted the post-mortem of 21 dead bodies of Corona virus (Covid- 19). In Corona virus period, this is the first such case in the country.

In the post-mortem autopsy, the doctors found that apart from the lungs and kidneys of the patient, the brain, heart, liver and pancreas were also damaged and affected.

A team of doctors from Bhopal's AIIMS Hospital conducted the post-mortem of 21 [Twenty one] Corona virus positive bodies. And it was found that the Corona virus (Covid -19) targeted the internal organs of the dead body as well as their brain and pancreas .

These doctors who did this Corona [Covid -19] virus post-mortem autopsy [Analyzed] research of dead body. So in the mind of the team of doctors, only the corona virus was their subject that how the corona virus is killing people and how it is making the internal organs of the body useless, weak and damaged. The only thing in the mind of the doctors was to do the post-mortem of the dead bodies of people who died of the Corona [Covid -19] virus.

Mind Controller Or Scanner Technology Or Direct Energy Weapon Or Neurotechnology all these Satellite Weapon Technology Super Artificial Intelligence Computer weapon is itself .

These doctors do not have any idea about this deep tech satellite Surveillance Technology.

The way the post mortem of the Corona victim dead body was done. And it was found that the Corona virus has damaged the lungs, brain, heart, liver, kidney and pancreas very badly.

The Corona [Covid -19] virus cannot damage the lungs, brain, heart, liver, kidney and pancreas in such a bad way.

Corona [Covid -19] is a fake virus .

Rather, the lungs, brain, heart, liver, kidney and pancreas of these dead bodies have been damaged and weakened in a very bad way by very powerful Electro magnetic waves, frequency, radiation, beam.

This is the post-mortem of the people who died due to Corona virus [Covid -19] .

These people have not died of Corona virus [Covid -19] .

The post-mortem of these 21[Twenty one] dead bodies has been done, these people have been killed by the surveillance operator ,attacker by Satellite Super Artificial Intelligence computer weapon technology .

These 21[Twenty one] deaths have not happened due to virus, but these deaths have happened due to Electro magnetic waves, frequency , radiation ,beam .

People in World and India did not die from the Corona [Covid -19] virus, rather people died from the Waves , Frequency , Radiation , Beam [AI] .

There was no Corona virus [Covid -19] inside the body of people.

Actually had waves, frequency, beam, radiation inside people's body .

These electro magnetic Waves, Frequency , Beam , Radiation , inside our body, in the brain and in the nerves, in the muscles, in the internal organs, in the kidney, in the liver, in the lungs, in the heart and in the stomach, inside the intestine, etc. These is operates and controls very well with deep tech satellite surveillance.

it's all game of Waves, Frequency , Beams and Radiation .

People have died in India and the world due to deep tech satellite surveillance technology under the guise of Corona [COVID-19] pandemic virus.

Doctors and people do not know at all about this Super Artificial Intelligence Computer weapon technology .

Due to this deep tech surveillance technology Bio Electro Magnetic Weapon [Biological Weapon] the internal organs of the people are weakened and destroyed and the surveillance operators make any type and any disease according to their own inside the body of the people.

**[XII] Measures to prevent Corona virus [Covid -19] and other diseases .**

The countries of the world and the World Health Organization are requested to make a good guideline for post-mortem of deaths caused by Corona virus [Covid -19].

- The governments of the countries of the world and the World Health Organization are requested to give instructions to all the hospitals and governments of the world. Use advanced Receivers or other advanced technology or advanced Jammers while doing post-mortem of Corona virus dead bodies.

Instruction ;-

[1] These advanced Receiver technology and advanced Jammer will cancel and block the waves, frequency, radiation, beam present in the body and operation theater of corona infected people.

Due to which doctors will be able to do post-mortem of the dead bodies of fake Corona virus and the doctors will also remain safe and the real cause of deaths will also be known through post-mortem.

[2] In the post-mortem of corona virus [COVID-19], doctors should also see how the internal organs inside the dead body like lungs, liver, kidney, heart, pancreas, brain, nerves etc. are affected and damaged by the wave radiation.

[3] What percentage of waves, frequency, radiation are inside the bodies of people who died of Corona virus [Covid -19] should be investigated.

[4] Advanced receiver and advanced powerful jammer technology should be made mandatory in Corona virus [Covid -19] quarantine centers. Due to which people will not fall ill, people will not die and people will soon start looking corona virus [Covid- 19] negative. Because there is no virus inside people's body. Inside

people's body there are only waves, frequencies, beams, radiation which are remotely operated and controlled inside the body by satellite supercomputer technology.

- Advanced receivers technology and powerful advanced jammers can save lives, so that no innocent citizen will fall ill and people will not die.

**[XIII] Ways to protect yourself and your family and avoid this terrible Cyber crime.**

These are some advanced technologies by which citizens can be saved from this satellite deep tech Artificial Intelligence technology weapon.

Such as ;-

[A] Microtail ,Microwave Receivers Work Like This Microwave Detection

Remote Neural Monitoring , Brain Wave Technology , Remote Mind Control Technology to protect yourself from microwave radiation you need a parabolic antenna a microwave detector, a frequency generator and a similar computer program that calculates the frequency that diffuses and destroys the microwave beam and cancels it so you can destroy the carrier wave that transports the brainwaves .

**[XIV] Request to the governments of the countries of the world and the World Health Organization [WHO].**

The symbols of Physics such as Delta[ $\Delta$   $\delta$ ], Alpha [ $\alpha$ ], Beta [ $\beta$ ], Gamma[ $\Gamma$   $\gamma$ ], Kappa [ $K$   $\kappa$ ], Lambda [ $\Lambda$   $\lambda$ ], Omicron [ $O$   $o$ ] have been recognized by the World Health Organization. This name was given to the variant of the Corona virus [COVID -19].

The fact is it's Physics, it's not a virus, it's just deep tech satellite wireless Non-contact weapon technology [Radiation weapon].

World Health Organization [WHO] does not even know about this secret deep tech Satellite technology and The World Health Organization has never done any Research and Discussion about this surveillance technology.

Because of this, the Government of the countries and Doctors of the world also does not have much information about this deep tech satellite surveillance, why people get seriously ill, and how people's internal organs are useless and destroyed and how people die.

The countries of the world are not aware of this satellite deep tech wireless Bio electromagnetic weapon [Biological weapon] or Radiation weapon due to which surveillance operators are killing people with satellite radiation weapons and making people seriously ill.

Therefore, the governments of all the countries of the world and the World Health Organization [WHO] should do research on this serious topic and save the world.

India is the country with the largest population in the world and for the safety of the citizens of the country, the Government of India should take serious and strict steps in this matter.

**[XV] Laws are being made**

To stop this crime, governments of many countries are making laws against this illegal deep tech satellite surveillance technology in their country and are taking good steps.

[A] America has blacklisted China's Academy of Military Medical Sciences and 11 affiliated biotechnology research institutes. The allegation is that these Chinese companies were helping the Chinese army in developing "Mind-Control" weapons. America has taken action against a total of 34 such companies.

The US Commerce Department on put questionable research institutes on a list that prevents American companies from exporting technology originating in the US to Chinese institutions.

US Commerce Secretary Gina Raimondo said, "China is using these technologies to control its people and repress members of ethnic and religious minority groups.

America has claimed that China is working on weapons that can take technological warfare to a new level. These weapons have the ability to 'Control' and 'Paralyze' the minds of enemy soldiers. The US has 'Blacklisted' China's Academy of Military Medical Sciences and 11 affiliated research institutes for using 'biotechnology', including 'alleged brain-control weaponry', to support the armed forces. 'Is done.

[B] Chile is the first such country in the history of the world. Who have made a law against Neuro Technology.

Chile has become the first country in the world to do so. Under this law, a person will have the Right to Mental Privacy and his will. Through this law, it has been made a crime to control a person through Satellite wireless Neurotechnology.

<https://www.youtube.com/watch?v=ybUnmQ05vX4>

Chile recently passed Law No. 21.383, modifying the final clause of Article 19, Number 1 of the Constitution, regarding the protection of mental integrity in relation to the advance of Neurotechnologies.

[C] The Richmond City, California [U S] Council which just passed a resolution “in support of the Space Preservation Act and the Space Preservation Treaty to permanently ban spaced-based "Mind-Control" weapon”. Which has already been .

[D] General Assembly of the State of Colorado [U S] : HOUSE BILL 24 – 1058.

Colorado lawmakers want to protect people's privacy from machines that can read thoughts .

A panel of lawmakers approved legislation that would make Colorado the first in the nation to protect people's biological data from technology companies, raising worries that new machines could be come so powerful they could read thoughts.

Now ,

- That it is feasible to manipulate human behavior with the use of subliminal, either by sound or visual messages, is now generally known and acknowledged by the scientific community.

This is why in most countries, the use of such technologies, without the consent of the individual

concerned, is in theory banned. Needless to say, the use of these technologies is undertaken covertly, without the knowledge or consent of targeted individuals.

There is secret wireless Non-Contact warfare arms race going on in the world where superpowers compete to achieve decisive dominance in the field.

And to make their country powerful, countries of the world spend huge budgets in making electronic warfare budgets and deep tech Non-contact Bio-electro-magnetic weapons [Biological weapons] or Radiation weapons.

As technology advances, it becomes important to address ethical concerns related to privacy, health, security, and data ownership. Researchers and policy makers should ensure that wireless Neural Monitoring and wireless Direct Energy Weapons are not misused against civilians.

## [XVI] CONCLUSION

[1] It is also important to address the ethical and social considerations surrounding wireless Remote Neural Monitoring and Neurotechnology. As technology advances, questions related to citizen privacy, health security and data ownership are becoming increasingly relevant. The collection of sensitive neural data raises concerns about potential misuse or unauthorized access. Striking a balance between harnessing the potential of wireless neural monitoring and protecting individual rights will be paramount as the field continues to progress.

Collaboration between scientists, neuroscientists, engineers, and data analysts has opened new doors of exploration that cross the fields of warfare research, clinical diagnosis, and brain-machine interactions.

This deep tech satellite surveillance is used against citizens.

With each wireless transmission of neural data, we are in a situation where the secrets of the brain and our thinking are exposed and controlled from a distance.

Due to which our privacy and security has been breached .

There are currently no specific laws to protect humans during cybertorture and Satellite Electronic Harmmment or nor is there any medical assistance for them. The situation is compounded by the fact that scientists do not leave any information about illegal mind reading technologies and wireless weapon . They simply keep progressing in their cognitive neuroscience crimes.

Article 1 of the Charter of Fundamental Rights of the European Union (2000) states that “Human dignity is inviolable. It must be respected and protected”.

And

Articles 12-35 of the Indian Constitution deal with fundamental rights. These human rights are granted to the citizens of India and the Constitution states that these rights are inviolable. Right to life, right to dignity etc. all come under one of the six main fundamental rights.

Space base technology and communication technology based world, this fundamental human right and basic moral principle is facing increasing threats. The world must take measures against Cyber torture to prevent the non-consensual use of citizens using remote Cyber-Psychological systems, such as satellite technologies and techniques that affect the human mind and body. To protect democracy and human rights, strong and capable laws should be made to prevent misuse of satellite surveillance technologies.

And all the world should make strict laws to give strict punishment to deep tech cyber criminals.

And all the citizens who are being targeted by this illegal satellite surveillance technology should file a report so that the police, investigating agency, court and government become alert in this matter and the lives of the victims are saved.

[2] CBRN Centers have been created in many countries of the world to protect against Chemical, Biological, Radiological and Nuclear weapons.

On the lines of this CBRN Center, all the countries of the world should also create Anti-Radiation Centers Or

Zero Radio Frequency centers to protect the citizens from satellite wireless non-contact radiation weapons. And highly advanced jammer and anti-radiation technology should be used in these centres.

And these centers should also be used for Quarantine centers.

[3] It should be made mandatory to educate and understand Neurologist or Psychologist doctors and doctors around the world about Satellite Wireless Neurotechnology or Artificial Telepathic Technology and Direct Energy Weapon. So that the doctor can treat the victims well and in the right direction.

[4] Intelligence Agencies of all countries should remain alert and vigilant against this murderous Cyber crime to save their country and citizens.

[5] Governments of the world and Especially India should install advanced powerful Jammers and advanced Receivers or Advanced technology in Mental Hospitals to protect the lives of Mental patients from deadly deep tech satellite technologies like wireless Remote Synthetic telepathic technology and Neurotechnology Or Direct Energy Weapon. And to avoid this satellite wireless Bio Electro Magnetic weapon [Direct Energy Weapon], on the lines of mental hospitals, advanced powerful Jammers and advanced Receivers Or advanced technology should be installed in the Jails for the safety of the prisoners in Indian jails.

[6] In Maharashtra state , India, The Maharashtra Pollution Control Board has installed electronic boards measuring weather, wind and pollution in various places, squares and every city, which tell what is the wind speed today, how much pollution is there and what is the temperature.

Similarly, to avoid this satellite radiation weapon, countries all over the world should also install well equipped and advanced technology boards in their country to measure wave, frequency, radiation and beam.

So that citizens know that wave frequency or radiation more than the prescribed quantity is not coming into

people's homes. Due to which the citizens will remain safe.

This is a photo of an automated, advanced technology board installed by Maharashtra Pollution Control Board in Nagpur city to provide daily information related to weather and pollution and temperature to the citizens.

- The basic objective of this True Research is to alert and protect citizens from illegal Deep Tech Satellite Surveillance technology and Cyber terrorism
