COLLEGE OF ENGINEERING AND TECHNOLOGY

Pathanamthitta, Kerala

ABOUT THE COLLEGE

Musalier College of Engineering and Technology is a NAAC accredited Engineering & Management Institution under the renowned Musalier Education Trust. The Musalier Education Trust is a charitable trust founded in the year 2001 by a group of successful educationalists and technocrats having vast experience in the educational and technical fields. The College is comfortably located in a sprawling campus within the town limits of Pathanamthitta Municipality. Zero tolerance to indiscipline, 100% active pedagogy, total support for incubators and start ups and moulding students into employable engineers is a unique feature of Musalier.

Programmes Offered:

- BTech (Civil, CSE, ECE, EEE & Mechanical)
- MTech (CSE & VLSI)
- MCA & MBA

ABOUT THE DEPARTMENT

Department of Computer Science and Engineering was established in the year 2002 with the objective of imparting quality education in the field of Computer Science. Our department mission is to enhance the fundamentals of computer engineering and evolve our students into top-notch computer professionals. To this end, real-time projects and industry internships play a very important role in creating livewire computer engineers for the global workplace. Our department offers 3 programmes:

- BTech (Computer Science and Engineering)
- M Tech (Computer Science and Engineering)
- MCA (Master of Computer Applications)

VISION

To produce competent and dynamic professionals in the field of Computer Science and Engineering to thrive and cater the changing needs of the society through research and education.

MISSION

- To impart high quality technical education and knowledge in Computer Science and Engineering.
- To introduce moral, ethical and social values to Computer Science and Engineering students.
- To establish industry institute interaction to enhance the skills of Computer Science and Engineering students.
- To promote research aimed towards betterment of society.

THEME OF THE CONFERENCE

National Conference "ICCT'20" aims to explore the advanced ideas and technologies in a wider range in the form of presentation and discussion with eminent personalities in terms of experience and experts. The innovations in computing and communication technologies will be explored in the Conference.

TECHNICAL PARTNER

Techno Science Academy is collaborating with us as technical partner in this National Conference and has agreed to provide all technical support including Journal publication.
