ABOUT NEW HORIZON COLLEGE OF ENGINEERING (NHCE)

New Horizon College of Engineering is an Autonomous college affiliated to Visvesvaraya Technological University(VTU), approved by the All India Council for Technical Education(AICTE) & University Grants Commission (UGC). It is accredited by NAAC with 'A' grade & National Board of Accreditation(NBA). It is one of the top engineering colleges in India as per NIRF rankings – 2018 and an ISO 9001:2008 certified institution. New Horizon College of Engineering is located in the heart of the IT capital of India, Bangalore. The college campus is situated in the IT corridor of Bangalore surrounded by MNCs and IT giants such as Intel, Accenture, Capegemini, ARM, Symphony, Wipro, Nokia, JP Morgan and Cisco to name a few.

ABOUT DEPARTMENT

Dept. of Information Science and Engineering at NHCE was established in the year of 2001 and offers B. E., M. Tech and Ph.D. programs and Accredited by National Board of Accreditation(NBA).

B.E. Information Science and Engineering

The four year B.E degree in ISE equip the students to meet day- to- day Technological advancements of the ever dynamic IT field through adept training on various subjects of curriculum of Information Science and Engineering and beyond. The department offers B.E program through autonomous scheme from the year 2015. The department has a total intake of 180 every year students with a very good team of highly qualified and talented faculty members including Professors, Associate Professors and Assistant Professors.

M.Tech

The department of Information Science and Engineering also offers 2 year M.Tech program in Cyber-Forensics and Information Security.

ABOUT THE CONFERENCE

The National Conference on " Research Challenges And Opportunities In Digital And Cyber Forensics" (NCCPS-2020) provides a common forum for deliberations, sharing of recent trends, advancements and research of Digital Cyber Forensics in the areas of Science, Technology and Engineering. This conference will be a very good platform for academia, researchers, industry practitioners and technologists from all over the world to discuss and present recent advances and research outcomes in their respective fields.

Digital forensics investigations have a variety of applications. The most common is to support or refute a hypothesis before criminal or civil courts. Criminal cases involve the alleged breaking of laws that are defined by legislation and that are enforced by the police and prosecuted by the state, such as murder, theft and assault against the person. Civil cases on the other hand deal with protecting the rights and property of individuals (often associated with family disputes) but may also be concerned with contractual disputes between commercial entities where a form of digital forensics referred to as electronic discovery (ediscovery) may be involved.

NCCPS aims to provide an environment where the authors and participants can establish research relations and collaborations with various eminent academicians, research fellows, scientists from India and abroad.

CALL FOR PAPERS

Topics are not restricted.

- **Digital Forensics**
- **Digital Evidence**
- **Seizure of Digital Evidence**
- **Imaging of Digital Evidence**
- **Computer Forensics tools and Toolkits**
- **Analysis of Digital Evidence**
- **Cyber Security**
- **Information Technology**

SUBMISSION GUIDELINES

- All papers should be original, unpublished, not submitted to any other journal/conferences, in pdf format as per the guide lines and IEEE format given in the conference website.

- www.newhorizonindia.edu/nhengineering/nccps2020

- Please mail your original manuscript mentioning your name, contact details and e-mail id to nccps2020@gmail.com

- All submitted papers will be checked for plagiarism and papers which are not satisfying the criteria will be summarily rejected

- Notification of acceptance will be through email

- All reviewed papers will be published in UGC approved journals

- Registration fee will be Rs 500.
